

Meeting Topics - Scientific program

- Fundamental research advances: pathogenic mechanisms, animal models.
- Progress in delineation of skeletal dysplasias: nosology, genotype-phenotype correlation, expansion of phenotypes and «new» genes and conditions.
- Prenatal skeletal dysplasias and lethal skeletal dysplasias - updating, new genes and new phenotypes.
- Skeletal dysplasias in general focus in diagnosis: clinical, molecular and radiological.
- Clinical records, clinical series, follow-up, and natural history.
- Multidisciplinary management throughout the lifespan in skeletal dysplasias.
- Impact on quality of life, pain, and functionality of skeletal dysplasias.
- Current and future pharmacological approaches in genetic diseases of bone.
- Ethical aspects and access opportunities.
- Skeletal Dysplasias in Latin America.

ABSTRACT SUBMISSION DEADLINE EXTENDED

Monday 11th April 2022

Scientific Committee

Alistair Calder
(London, United Kingdom)

Amaka Offiah
(Sheffield, United Kingdom)

Andrea Superti-Furga
(Lausanne, Switzerland)

Carlos Bacino
(Houston, United States of America)

Carlos Ferreira
(Baltimore, United States of America)

Cristián García
(Santiago, Chile)

Denise Cavalcanti
(Campinas, Brazil)

Else Merckoll
(Oslo, Norway)

Geert Mortier
(Leuven, Belgium)

Gen Nishimura
(Tokyo, Japan)

Julie Hoover-Fong
(Baltimore, United States of America)

Karen Heath
(Madrid, Spain)

Katta Girisha
(Manipal, India)

Mariana Aracena
(Santiago, Chile)

Ravi Savarirayan
(Melbourne, Australia)

Roberto Mendoza-Londono
(Toronto, Canada)

Sheila Unger
(Lausanne, Switzerland)

Shiro Ikegawa (Tokyo, Japan)

Valerie Cormier-Daire
(Paris, France)

Virginia Fano
(Buenos Aires, Argentina)

Local Organizing Committee

Cecilia Mellado S.
Pontificia Universidad Católica de Chile, C.A. Dr. Sótero del Río,
Santiago, Chile.

Guillermo Lay-Son R.
Pontificia Universidad Católica de Chile, C.A. Dr. Sótero del Río,
Santiago, Chile.

Marcela Lagos L.
Pontificia Universidad Católica de Chile,
Santiago, Chile.

Gloria Durán S.
Pontificia Universidad Católica de Chile, C.A. Dr. Sótero del Río,
Santiago, Chile.

Mariana Del Pino
Hospital de Pediatría Dr. J. P. Garrahan,
Buenos Aires, Argentina.

Co-Chairs

Cecilia Mellado S. | Santiago - CHILE
Pontificia Universidad Católica de Chile, C.A. Dr. Sótero del Río.

Guillermo Lay-Son R. | Santiago - CHILE
Pontificia Universidad Católica de Chile, C.A. Dr. Sótero del Río.

Virginia Fano | Buenos Aires - ARGENTINA
Hospital de Pediatría Dr. J. P. Garrahan.

Mariana Aracena A. | Santiago - CHILE
Pontificia Universidad Católica de Chile.
